Please give a few "second preferences" when ordering — we may be sold out of some varieties and any delay in correspondence may be further to your disadvantage.

We have one principle if we supply "substitutes" — We endeavour to send our customers something better than they have asked for.

**You can introduce no bolder, handsomer or more
floriferous plants into your garden than these
Modern Cannas — they bloom for 6 months, and
every flower is a feast of beauty**
